DESCRIPTION

THE ORION MULTILAYER MATTRESS IS A COMBINATION OF FIVE LAYERS OF FOAM WITH DIFFERENT DENSITIES. THANKS TO THE COMBINATION OF FIVE FOAMS WITH DIFFERENT PROPERTIES, WE RECEIVE STABLE SUPPORT FOR YOUR BODY. THE STRONGER STRUCTURE OF THE RAW MATERIALS USED IN THE ORION MATTRESS ALLOWS FOR A HARDER, BUT ALSO COMFORTABLE BASE. THE CORE OF THE MATTRESS IS A HIGH BASE FOAM ENERGY FOAM, WHICH PROVIDES A STIFFENED STRUCTURE, THUS PROVIDING STRONGER SUPPORT FOR THE FOAMS FELT RIGHT UNDER THE COVER. THE FIRST LAYER IN THE ORION MATTRESS IS HIGHLY ELASTIC FOAM, WHICH IS CHARACTERIZED BY HIGH ELASTICITY AND EXTRAORDINARY FLEXIBILITY. THIS GUARANTEES POINT SUPPORT FOR THE BODY. IT IS AN EXTREMELY DURABLE MATERIAL THAT QUICKLY RETURNS TO ITS ORIGINAL SHAPE AS SOON AS IT IS RELIEVED. IT SLIGHTLY STIFFENS THE BASE, THANKS TO WHICH IT ELIMINATES THE EFFECT OF EXCESSIVE COLLAPSE. PERFECTLY SUPPORTS THE ACTION

OF THERMOELASTIC FOAM, WHICH IN TURN PROVIDES THE EFFECT OF A GENTLE WRAP AND PERFECTLY FITS THE SHAPE OF YOUR BODY UNDER THE INFLUENCE OF ITS HEAT. THERMOELASTIC FOAM REDUCES GENERAL TENSION, DOES NOT BLOCK BLOOD CIRCULATION, THUS REDUCING OR COMPLETELY ELIMINATING BACK PAIN.
